Welcome 2009-2010 Walker Stars from PTA President Kathryn Lewis

Welcome Walker Star families! We are so glad to have you at Walker Elementary and excited for the 2009-2010 school year. This will be Walker Elementary's 10th Year serving our wonderful community and we plan to CELEBRATE all year long!

Your PTA Executive Board has been hard at work all summer planning a variety of educational programs for our Walker Stars, as well as social events for the entire family to enjoy! Our 10-Year Celebration on October 23rd is sure to be the highlight of the year! Our students will have the opportunity to participate in Reflections and Go Van Gogh, as well as our continuing environmental education "Go Green" efforts. We'll continue to show our Walker pride each week and wear our spirit wear for Star Power Friday. There will be opportunities for all of us to help families right here in McKinney, with our Community Outreach efforts throughout the year. We have some top-notch educational assemblies planned for our Walker Stars. As well as, some informative parent education guest speakers for our regular PTA meetings during the year.

We hope that each and every one of you Join PTA this year. By joining PTA, you will become part of the largest child advocacy organization in the state with more than 600,000 members across Texas. PTA keeps you informed and involved and truly allows you to partner with teachers, administrators and other parents in the one of the most important parts of our children's lives—their education. Your membership dollars are what allow us to offer assemblies, programs, fieldtrips and fun family events to our Walker Star community. So please, join the Walker PTA and partner with us in making this the best year yet for our Stars!

We have many opportunities for you to become involved as a Volunteer this year. Your willingness to volunteer ensures that our programs and events can be offered and successful. There are opportunities for everyone to share your time and your talents with our Walker Stars! Volunteering sends a message to your child that you are invested in their school and that their school is a priority.

I am so proud to be part the vibrant community that is Walker Elementary. We have a PTA Executive Board that is very committed and excited about serving our Walker community this year. Each and every one of them are open to your comments and suggestions. Each PTA Board member with their contact information, is listed on the back of this sheet. Please don't hesitate to contact myself or any one of our Board members, if you need anything throughout the year.
